

## HOMEWORK #29 APRIL 24TH-APRIL 28th

Dear Parents,

The Second Grade class will work on “Target Words” which focuses on expanding their vocabulary and fully understanding the stories we read in class. Learning these “Target Words” will be extremely important since they will be tested on the words weekly on Fridays. Please make sure your child practices the words through the homework that will be broken down by day. The homework is also due every week on Friday. Please ensure they write the date for every day he does his homework and label each page to keep it organized. If anything changes, you will be notified. Lastly, I strongly suggest reading with your child for at least 10 minutes a day and asking questions regarding their reading to help with comprehension skills. I will send home a monthly reading log in order to track progress and it will be turned in to me at the end of the month.

For Math, we will mainly work on Review for Addition and Subtraction..

If you have any questions, please, do not hesitate to contact me. My email is:  
[cbaier@ryanacademy.org](mailto:cbaier@ryanacademy.org).

When is homework due? Homework is due on FRIDAY in their red folders. Please sign every page.

When are Reading/Writing tests? This week, tests will be on FRIDAY.

When are reading logs due? At the end of the month. They are sent monthly. Every student that turns it in, received a prize. If the whole classroom turns it in, they receive a prize as a class.

Any other questions? Email me.

Thank you,

Mrs. Baier
