Field Trip Information/ Permission

The setting outside the classroom provides varied opportunities for children to explore things they might otherwise experience in books, pictures, or films. Several field trips are planned throughout the year and during breaks. Field trips will be conducted within the Commonwealth of Virginia unless specific arrangements are made. Parents and guardians are welcome to volunteer as chaperones. Parents will be notified in advance of the date, time, and nature of field trips, as well as necessary costs and materials. All children are transported on buses provided by Ryan Academy/ Building Blocks Preschool. In order to reduce paperwork & waste, we have a permission slip below that authorizes Ryan/BBPS to take your child on all field trips with a 24-hour notice. We do this rather than having a separate permission slip to go home for every trip thus risking confusion, loss, and the possibility that we would not take your child for lack of permission. Ryan Academy/Building Blocks Preschool are not liable for any injuries, sickness, accidents, and natural disasters that may occur while on field trips off school grounds. Please note- children not participating on field trips or that arrive after the trip has left may not stay at school since there will not be care available. All students that are at school on the day of the field trip will be taken on the fieldtrip. There are no staff that will be available to supervise children at school. Field trips are not optional; they are integral to the learning process. If a student must miss a field trip, that student will receive an assignment designed to acquaint them with the skills / knowledge that students on the trip will gather. The assignment will be due on the day following the field trip. All staff will review safety rules and precautions prior to EVERY field trip to ensure the safe return and enjoyment of all field trips.

I, _____ do hereby agree that my child, _____, is permitted to go on any field trip
