Ramona's Reminder

Last week's highlights

What a first week! Our first week went by pretty smoothly and I am very excited to begin our next week. I know that a part of the novelty will wear off as they realize that they will be doing the same thing again but for now, we are continuing to enjoy our new classroom.

We have been busy reviewing letters in the classroom. So far we are up to letter Ee and will continue on to the letter Jj by the end of the week. It may seem like we are rushing it but the children are doing fine with the simple review of writing and recognition.

What's Next

We will continue to work in our Math Book. Last week we worked on reviewing and just trying to assess basic knowledge. We will begin talking about positions and patterns this week.

We will also continue reviewing our letters. The goal is to complete the review of all of the letters by the beginning of October, and then we will do our Phonics assessment (PALs), all leading up to our Parent Conferences in November.

In addition, we have talked about rules and how they apply to school and things outside of school. We will continue this week talking about being good citizens.

Important Facts

Take Home Folders: These folders should be checked daily and returned with your child every day. Any communication notes can be added in there.

Contact Information: Please make sure you are receiving the email updates being sent out. Please remember to check our website or facebook for any messages in case of emergencies for inclement weather. Also, you can text CAMPUS to 71441 to sign up for any emergency alerts.

Homework: Have your child practice writing their letters and numbers every day. This does not have to be turned in. Like I said at Back to School Night, we will not be doing Homework for a while.

Every Friday is Show and Tell day. The students are allowed to bring in 1 small item that can fit in their backpack

Thursday is PE day. Please make sure that your child is wearing sneakers. We go to recess every day.

Scholastic: Scholastic forms are being sent home this week. Conveniently, you can do all of your ordering and payment online at scholastic.com with our online code of NJ3NL. With every purchase, you can enjoy knowing that it helps our classroom earn points that we can use to buy more books or book related items for us to use at school.

Please remember to reach out if you have any questions.

Mrs. Ramona
